SVH Values Award

We're stepping into the future
with the foundation of our values

At SVH, we are Passionate about:

Integrity - We can be counted on to do what's right.

Quality - Patient care always comes first, clinical and non-clinical employees impact patient care every day

Service - We extend our skills and talents for the benefit of others.

Respect - We value each person's dignity and unique contributions.

Innovation - We create change to ensure our long-lasting contribution to our community.

Collaboration - When we work together we achieve the best results.

Safety - We all own and are accountable for creating a safe environment.
